Product Description

LS MT347 Compact Tractor

The MT3E Series provides a variety of horsepower ratings and transmissions to accommodate any customer's needs. Those customers requiring value and power will find plenty of both in this robust series of LS tractors.

LS MT347 Features -

- 4WD (Front Wheel Mechanical Assist) - Go from 2WD to a 4WD with a simple move of a lever.
- Independent PTO - Easiest PTO to operate that can be turned on or off with a switch.
- Standard 12×12 Synchro Shuttle - Change gears without having to stop. 12 forward / 12 reverse gear transmission provides more operating speeds than others in its class for superior control, precision and safe operations for virtually any application.
- Side Mounted Main Gear Lever - Maximizes space and makes getting on and off tractor easier than straddle type like other brands.
- Standard 2 Sets Of Remote Valves With Detent - Adds functionality and improves ease of use by allowing attachment of hydraulically controlled implements without the high, additional costs like others in its class to add the remotes as options.
- Extendable Lower Links - Allows easier attachment of a wide variety of Category 1 implements with a 1,808 lb lift capacity.
- Standard Tilt & Power Steering - Makes turning easier, improves control and reduces fatigue.
- Fender Mounted Joystick For Front End Loader - Easily accessible for maximum comfort and convenience.
- Standard Foldable ROPS - Allows Storage in low clearance buildings or sheds.
- Your Choice Of Tires At No Additional Cost - Choose Ag, Industrial or Turf tires at no additional cost.
*Subject to dealer inventory.
- 3-Point Hitch - Category 1 with a hitch lift capacity of 1,808 lbs. allows usage of a wide variety of implements.
- Standard Hydraulic Position And Draft Control - Easily accessible for maximum comfort and convenience.
- Standard Rear Work Light - Adjustable light to improve visibility where you need it.
- Standard Draw Bar - Increases the usefulness of the tractor without the additional optional cost.
- 7 Pin Connector - Provides electrical Power for implements when needed.

- Large Fuel Tank - Provides long operation times between fill ups.
 - Flat Platform And Rubber Mat - Roomy, spacious and comfortable.
 - LS CRDI Tier 4 Engine - Generates more power with less noise, fuel consumption, vibration and emissions. Standard preheat starting aid helps starting in cold weather.
 - Easy Open One-Piece Hood - Easy access for maintenance of this low emissions, fuel efficient engine. Standard pre-heat starting aid improves starting in cold weather.
 - Modern Ergonomic Design - This compact is ergonomically designed.
 - Deluxe Adjustable Seat With Arm Rests And Retractable Seat Belt - Keeps you in a comfortable and safe position for maximum control.
-
