Product Description

Woods BushBull™ Premium Cutters

- Three-point hitch: CAT 1, quick-hitch ready
 - Cuts brush up to two inches in diameter
 - Six-year limited gearbox warranty includes the seals
 - 10.5 inches deep deck, with half-inch by four-inch blades and rear baffling work together to evenly cut and distribute large amounts of material, for a superior cut quality
 - Comes standard with adjustable driveline hanger making it easier to attach
 - Greasable Quick-change blade pins are easy to maintain and remove from top of the deck through large blade access window
 - High-strength steel bumper is 2-times thicker than competitive models, with a Z-channel frame for added durability when backing over tough brush
-
