### Product Description

# GP6500E Portable Inverter Generator

Generac’s GP6500E portable generator offers **PowerRush™ Advanced Technology**, which delivers more than a 40% increased starting capacity* allowing you to do more with less. Generac’s OHV engine and large-capacity steel fuel tank ensures extended engine life and run times, while the steel tube cradle provides added strength. The low-oil feature protects the generator from damage. The GP6500E can be easily transported across rough or difficult terrain with the heavy-duty wheels and easy fold-down handle. Even maintenance is a breeze, with the hour meter keeping track of necessary upkeep at regular intervals.

## Features:

- PowerRush™ ADVANCED TECHNOLOGY – Delivers over 40% more starting capacity allowing you to do more with less.*
- Electric start model for easy operation. (Battery Included)
- Generac's durable OHV engine with splash lubrication provides a long engine life.
- Large-capacity steel fuel tank with incorporated fuel gauge provides durability and up to a 10.5 hour run-time at 50% load.
- Low-oil level shutdown automatically safeguards engine from damage.
- 1 ¼” steel-tube cradle for added durability and strength.
- Hour meter tracks maintenance intervals.
- Heavy-duty, never-flat wheels allow for easy portability.
- Fold-down handle for sturdy portability and compact storage.
